

Cityworks User Conference 2012

June 27 – 29

Canyons Resort
Park City • Utah • USA

CALL FOR PAPERS

Submission deadline – April 1, 2012

We invite you to submit an abstract for presentation at the **Cityworks User Conference 2012**.

Share your experience and expertise with Cityworks as many would like to hear your user case study, technical discussion or implementation overview. You're sure to benefit from the knowledge you share at this year's event.

Presentation space is limited!

For more information contact the account representative over your area.

Categories for presentations:

Implementations and Case Studies

Implementations: These presentations focus on how your organization has implemented Cityworks – the process, tips and tricks, etc.

Case Studies: These presentations summarize how your organization uses Cityworks – assets you manage, unique uses and deployments, etc.

Additional complimentary Conference fee or 3 nights conference hotel accommodations:

For Cityworks Users (**one** per presentation)

Submission Guidelines

Electronic submissions are preferred. Please email information requested below in **Microsoft® Word** to kryser@cityworks.com

We will contact you about your submittal.
